Weintraub was the color commentator for Thunder home games which were broadcasted on 920 AM ESPN New Jersey.

SPRING RECRUITMENT 2024

Led by our rush chair Will Broad '26, we are ready to take on another semester of recruitment. Broad, a member of the Xi class and grandson of Robert Broad '60, studies Broadcast & Digital Journalism in the Newhouse School. "We're thrilled with how the Rush process has been so far, and as a brotherhood we're excited for the strong class we are bringing in to reinforce our move to Comstock," Broad said. As a brotherhood, we are thrilled by Will's immediate impact in our chapter.

If you missed the big news, we are officially moving to 721 Comstock Avenue starting in the Fall of 2024! Special thanks to former president Ethan Gunther, vice president Cole Weintraub, the President of our Housing Corp Mark Linnan, Steve Hochberg and Ken Hyman for making this opportunity a reality for our brotherhood.

PRESIDENT'S NOTE

As Ethan Gunther '24 passes the torch to Zach Weiss '26, we are excited to welcome our new president! Weiss is from Warren, New Jersey and studies finance in the Whitman School. "I could not be more excited to jump into this role. I am forever grateful for what this brotherhood has given me and now it's my time to give the brotherhood a leader they deserve," Weiss said.
